

Lionweld Group quality policy is to continually improve the company's quality performance; this will be achieved by placing particular emphasis on experience, expertise, capability, performance, safety and reliability. It is the objective of Lionweld Group to supply CE marked products which exceed the expectations and the contractual requirements of our Customers and applicable regulatory authorities.

To achieve these aims It is our policy to establish and maintain an effective Quality Management System and to continually improve our quality performance. Specific objectives regarding quality improvement will be established and monitored. Our Quality Management System is based on the requirements of ISO 9001:2008 with quality plans based on the guidelines set out in ISO 10005:2005.

To meet these aims, we will ensure:

- ***That we specify in documented procedures and instructions the requirements to control quality of products and services at all stages of realisation.***
- ***We pursue an active policy of defect prevention and cost minimisation throughout the range of products and services.***
- ***That we maintain records as objective evidence showing compliance with quality requirements.***
- ***That we review, update and improve the Quality Management System to ensure quality requirements are economically achieved.***
- ***Every person within Lionweld Group is responsible for the quality of their work and specific responsibilities are assigned to qualified & competent personnel***

This policy will be regularly monitored and reviewed, at least annually, to ensure that these objectives are achieved. Reviews will also take into account customer complaints and compliments, NCRs and continual improvement goals and if necessary, the Policy will be revised in the light of standard or organisational changes and any changes made in the interests of prevention or improvement actions.

The policies, procedures and documentation requirements of the Quality Management System within the Company are mandatory and shall be adhered to by all employees and other personnel involved in the fulfilment of our business. It is the responsibility of Management to ensure that these policies are implemented and maintained. All levels of management within the company are committed to the successful implementation of this policy.
